EASTER CELEBRATIONS!

Outdoor Sunrise Service

Come join the experience of celebrating Easter morning way up on Sugarloaf. Please arrive early and overdress! It's always much colder than you think. Bring a headlamp if you have one; some people find that helpful getting to where we stand for the service.

Meet at the base of the Super Quad Chair. Lift will load from 5:15-5:20 AM only. No lift ticket required. You must ski/board down. Recommended for people intermediate level or above (trail can be firm and dim that time of morning). Lift may change due to weather.

Easter Celebration, 9AM Chapel & on Zoom, call or email for link

Downhill Worship, 11AM

Last one of the season.

Gathers at sign between Double Runner Chair & Ski School hut above the base lodge. Then the group takes one run together, stopping along the way to experience the theme of the day.
